

TestTalk

What's Up?? What's Not?? Who's Doing What, Where, and Why

*A Roundtable Discussion of How to Overcome
Testing Challenges*

Wednesday, May 19, 2004

11:30 a.m. – 1:00 p.m.

State Personnel Board, Room 150

Join us as we explore **challenges** such as these:

- Working with Subject Matter Experts
- Facilitating sound selection and assessment
- Recognizing the rewards of “good” selection
- Meeting the wants, needs, and expectations of our customers

And, as we celebrate **successes** resulting from:

- More and/or better job analysis
- Better constructed, “sounder” test instruments
- Eligible lists more reflective of candidate job-related qualifications

Let's Reiterate the Value and Goals of Sound Assessment!

See you here!!

(And, we'll have treats!!)

Presented by Test Validation and Construction
